## Water Department will ask for water treatment plant

The Board of Commissioners of the Wilmington Water and Sewer Department will have two articles in the warrant for the annual Town Meeting.

In one article the commissioners will ask for a \$2 million appropriation to erect a water treatment plant off Butters Row on Water Department property. The new plant will either be of conventional type, or one based on the new "Swedish" plan, or a combination of both.

The new "Swedish" type of water treatment, to eliminate iron ore, was tested extensively in Wilmington last fall, the first such test in the United States. A story and pictures appeared in the Town Crier at that time.

A 1973 article for water treatment was turned down by the voters in the annual meeting. Since then Wilmington has been unable to use the water from three well fields, those at Chestnut Street, Butters Row, and the Town Park. If there is a favorable vote in the town meeting the new plant will probably be used to treat water from the Butters Row field and the Town Park, and will add about two million gallons of water per day to the available water supplies.

Wilmington, at the present time, pumps three million gallons of water daily, an amount which is insufficient during the hot days of summer.

### Sewage station

The second article will ask the town to acquire about 14,000 square feet of land, off Woburn Street and near the Woburn line, for a sewage dumping station.

Billerica and Tewksbury have agreements with the Wilmington Water and Sewer Department, and the MDC to use the MDC sewers, by means of an inlet at Woburn Street. There are special keys for the sewer mains, and trucks from those two towns stop in the middle of Woburn Street to dump septage in the sewers. This generally occurs during the hours of darkness so as to prevent blockage of Woburn Street to other traffic. There is an element of possible accident, due to the careless driving of motorists during the night hours.

The installation of an off-the-street sewage station would both eliminate the possibility of night time accidents and enable the Water and Sewer Department to keep a closer check on trucks using the sewer mains.

Both Billerica and Tewksbury pay the Town of Wilmington \$10 thousand a year, for the service of the sewer main, but there can be no positive knowledge whether or not unauthorized trucks from other places are using the service.

## Warrant takes shape with 41 articles

When the annual town meeting convenes in March, there will probably be 41 articles to consider. Among them will be a proposal to create apartment zoning and to rezone land into that zoning district.

The apartment proposal is by Paul Butt, well known locally as a builder. The land which he is proposing for the

apartment complex is a 21-acre area at the intersection of Routes 93 and 62 in North Wilmington. The land is in the northwest corner of that intersection, being further bounded by Middlesex Avenue and Salem Street.

Town Manager Sterling Morris said that of the other articles, a good number had to do with either rezoning of land or purchase of town land.

### Correction

An item in last week's Town Crier related that a fire at the home of Everett Young caused moderate damage. More correctly, it gutted the house, causing extensive damage.

Since then, the Cottage Street home has been subjected to looting. One party made off with the front door.

No  
hold-up

Senior citizens participating in a gentle exercise program look like they are being held up, but are only stretching their arms. The program will be held every Tuesday morning at the Drop-in Center at Wilmington Plaza. Sponsored by the Council on Aging and the Public Health Nurses, it is instructed by Mrs. Betty Landrigan, a physio-therapist.

From left, James Watts, Florence Elliott, Arthur Daniels, Gladys Belbin, Isabelle Pellerin and Jeannette St. Hilaire.

## Housing authority proposes to build homes

The Wilmington Housing Authority has issued a call for proposals to construct an additional 25 dwelling units in Wilmington, to be financed by federal funds. Funds are to be advanced for the construction by Housing and Urban Development (HUD) program.

The new homes may be in scattered locations, or may be in one place. Of particular interest to HUD is a location having both adequate water and

adequate sewage facilities, and with other amenities if possible.

The construction will be awarded to a developer, who in turn will utilize local firms for furnishing materials and services. At the present time the Housing Authority is seeking bids from the local firms. Information packets are ready, in the offices of the WHA at Deming Way.

The HUD money available is reported to be in excess of \$300,000.

Rare  
bird

A relatively rare bird is the red breasted nuthatch. This fellow has been a regular visitor all winter in the backyard of Hugh Wiberg on Andover Street in Wilmington, feasting on suet and sunflower seeds. This photo was taken by Wiberg with tri X film at six feet, using a 135 mm telephoto lense at 1-250th second on a very dull day.

Promising freshman

Mark Boudreau (7) scores the first of his two goals Saturday afternoon as he beats Central goaltender Vin Carace.

## It's a Wildcats vs Redmen week

The Wilmington vs Tewksbury rivalry will be heating up this week with three games between the two towns to fan the competitive fires. Two basketball encounters and a hockey showdown make up the menu called the Merrimack Valley schedule.

This afternoon (Jan. 18) coaches John Corbett and Ken Palm lead their troops into the hockey battle at the Billerica Forum. Both teams have 6-2 records and a number of promising players who aren't playing like their prep work for the future. Wilmington's defense rates the edge with Tewksbury netminder Chuck Barbour coming off his best game of the season in the win against Austin Prep.

Friday afternoon the girls take to the WHS hardwood. Tewksbury is led by high scoring center Diane Long and fine athletes Ann Seluk and Leann Kennedy playing at forwards. Wilmington has been slowed by in-

juries and depends on sophomore Susan Rowe to get the attack started.

Friday night TMHS and WHS will be battling for that notch closer to the big boys in Andover and Chelmsford. The Wildcat and Redmen basketball squads both think they have a shot at that third spot, and possibly first if either the Lions or Golden Warriors go into a dry spell. Both teams worked hard over the summer and it's paying off now with MVC wins.

It should be an interesting matchup at the forward with Tewksbury's John Hurley dueling Randy Foster. The Redmen may have a slight edge in the backcourt with T. J. Caveney, Mark Scamman, and Tom Saunders improving with every game. Tom Stewart's scrappy play and hustle could turn that situation around however.

Whatever the outcomes - the locals are chaffing at the bits over the week when the rivalry should be at its best.

## Rec swimming lessons

The Recreation Department plans to offer another series of Red Cross swimming lessons for Wilmington youngsters ages eight to 14.

The Shawheen Tech pool will be used again for the program. Lessons will consist of Advanced Beginners, Intermediate, and Distance Swimming for Certificates of Achievement.

All classes will be held on Sundays, from 3:00 to 6:00 p.m. Each person enrolled will be tested on Sunday.

February 5, beginning at 3:00 p.m. at the pool.

Class hour will be determined by ability as shown during the testing. Cost is \$5.00 per person.

To enroll, call the Recreation Office at 658-6512 beginning Monday, January 23 from 8:30 a.m. to 3:00 p.m.

Those who enroll properly must then go to the Tech pool on Sunday, January 29, anytime between 2:00 and 4:00 p.m. for further registration.

## Tuesday night sports

In an effort to ease the editorial burden on Tuesday nights, the Town Crier will begin the Sports Line - where the local high school coaches can reach the Sports Editor with late

Tuesday night results. A call to 658-2346 before 11 p.m. on Tuesday will insure that your team's results will be in the Crier come Wednesday morning.

## Four way tie for second place

## Wildcats feast on have-nots 17-0

Wilmington High's hockey team had a 17-0 feast at the expense of the MVHL's weaker sisters last week as the Wildcats moved into a four way tie for second place in the conference with Tewksbury, Austin Prep, and Chelmsford. The four teams all have 6-2 MVHL records.

WHS began the week with a 7-0 whitewashing of Dracut and finished up Saturday short three defencemen in a 10-0 romp over Lawrence Central. The Cats made valuable hay against two teams with a combined record of 2-14-0 in conference play.

Saturday afternoon the Cats' unbeaten streak went to four games despite the face that defensemen Tom Bavota, Ken Plummer and Paul Marasco were absent due to a one game suspension for fighting in the Dracut win the previous Wednesday night.

Central netminder Vin Carace kept his team in the game for one period as the score stood at 0-0 after the first frame. Wilmington outshot the Red Raiders 13-0 in that first period. The floodgates opened from that point on however as Wilmington scored four times in the second period and six in the third to put Central away.

Freshman Mark Boudreau continues his impressive play on coach Ken Palm's young and improving line with a pair of goals. Veteran Mike Carlin also scored twice for the Wildcats. The other WHS goal scorers were Bill Blaisdell, Tim McCann, Lee Mugford, Dennis Foley, Paul McMahon and Steve Mickle. Mugford led the assist parade with four followed by McCann with three helpers. Mickle and Paul Sullivan had two assists each and singletons went to Todd Richards, Brian Tighe, Bob Richter, Steve Scanlon, McMahon and Foley.

Reidy Ballou, Scott O'Connell, and Dave Gordon shared the netminding duties as WHS outshot Central 41-4.

Mike Carlin opened the scoring at the 1:49 mark of the first period last Wednesday at the Forum and that was all she wrote with goaltenders Gordon and O'Connell enjoying a rocking chair game in goal (51-5 shot edge). It stood at 1-0 until the second

## Adult Hockey League

## Shell tips Blues 6-4

Paul Capozzi (two goals assists) and Dan Bicknell (goal-two assists) led the Shellmen in a big four-goal second period to overtake a 3-0 Blues lead.

Ed Sobocinski tied it up to open the third, but the Shell's leading scorer, Frank McLean, came back with the game winner.

Leo's Canteen 6-Bulldogs 5  
Al Dunlevy and John Haggarty scored back-to-back goals to end the first period and give Leo's a lead they never lost. The two teams traded the next eight scores in a well-played contest.

Ten different scorers combined for the 11 goals scored by the two teams.

Bulldogs 7-Blues 2  
Jim Donahue - returning home to the Bulldogs - for his first game in three years, sparked them with a three-goal hat trick to turn back the Blues and get the Bulldogs to the .500 mark.

Rod Fraser made some fine saves as he frayed the goaltending chires.

## Ski program enrolls 40

The Recreation Department has started another new program with positive results.

While ski touring and cross country skiing are experiencing a tremendous growth in popularity, a recent lessons program in alpine or downhill skiing fared well.

Forty boys and girls in grades four to six are being bussed to Boston Hills

period when Boudreau and Blaisdell dented Dracut goalie Pete Pascoe's armor to up the count to 3-0. Senior co-captain Tom Gracia added a goal as did soph Paul Boudreau. Soph McCann pocketed his first two varsity goals two minutes apart in that third period to complete the WHS scoring.

Mickle and Ken Plummer had three assists each with Mugford adding a pair. Jay Walden, Tighe, Marasco, Richards, Gracia, and McCann also had Wildcat helpers. The Cats take on Tewksbury this afternoon (Jan. 18) in a 3:30 Billerica Forum battle to snap a piece of the second place deadlock. Wilmington will be going into the game having allowed just two goals in

the last 165 minutes and having been unscored upon for 108 minutes covering eight periods. Three of the Wildcats' last four wins have been shutouts.

## WHS tracksters bounce back

The Wilmington High track squad has bounced back to record two consecutive wins after a 0-3 start in the MVC conference. This past week coach Frank Kelley's team topped Billerica 45-40 and Lawrence 47-39. The loss was Billerica's first of the winter season.

The Indians and the Wildcats both took five firsts, but WHS placed the first two runners in the 1000 to give them the win. Wilmington firsts went to Captain Greg Hancox in the 1000 (2:28.7), shot putter Doug Coursey (38'4 1/2"), high jumper Kevin Burke (5'8"), hurdler Roger Coville (6.3), and two-miler Dana Spring (10:07.5).

Second place finishers for Wilmington were Dave Nally in the 300 (37.1), Kevin Cogan in the 1000 (2:30.6), Doug Martyn in the 600 (1:23.6), John Mucci in the mile, shot putter Ron Alphen, and two miler Gary Gable.

The Wildcats won six of the 10 events against Lawrence in picking up their second straight win. Burke led the way with a first in the high jump (5'8") with Coville, Martyn, Hancox, Mucci and Spring winning their respective events.

WHS ran wild in the mile and the two mile as Gary Gable and Carl

Borgeson ran 1-2 in the two mile and Don Lombardi and Jay Emond were 2-3 in the mile run. Mark Warren was second in the 50 yard dash and third spots went to Nally (300), Coursey (shot put), Alphen (hurdles), Cogan (1000) and Chris Tannian (yppzmf j

# Squirt A's comeback clips Lowell 4-2

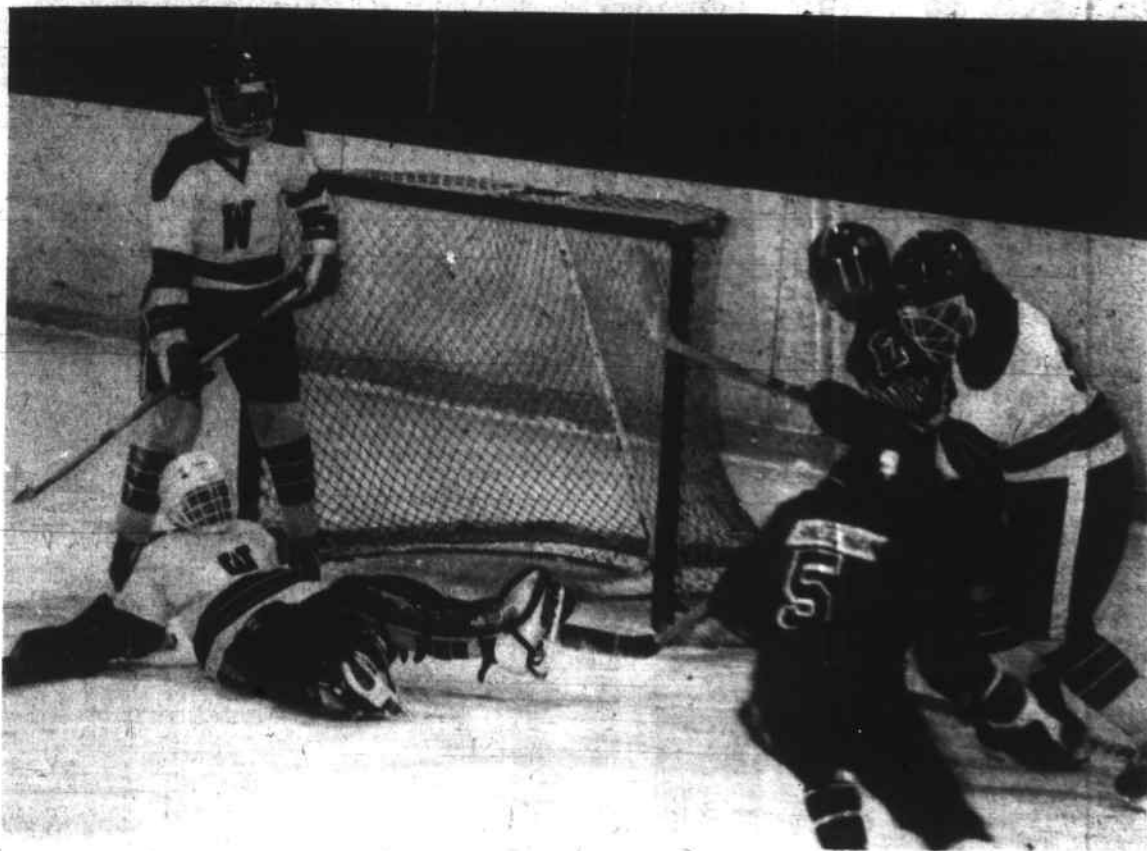

The Squirt A's pocketed three goals in the last six minutes of the game Saturday to stage a 4-2 comeback win over a tough Lowell team. Lowell had taken a 2-1 lead with 6:02 left in the game when Dave Buzzell circled the Lowell net and stuffed the puck into the corner after taking a pass from Tom Craig. Dave Fuller scored the game winner, pouncing on a loose puck in front of his own net and skating the length of the ice before pumping home an unassisted goal at 3:50 to give the Squirts a 3-2 lead.

Fifteen seconds later Robbie Palmer broke up a Lowell clearing pass and fed Bill Palmer for his sixth goal of the season. The score gave the Wilmington squad its final of 4-2.

Wilmington had taken a 1-0 lead in the first period on a drive by Dave Fuller from the point. Lowell battled back to tie the game at 1-1 with 15 seconds left in the first period. The middle period was scoreless with both teams having several scoring opportunities.

The Squirts were paced by the strong skating of Woods, Buzzell, and Lux who picked up an assist on Fuller's first goal. Dave Needham was brought up from the Squirt B's and turned in a fine job on defense for the winners. Jay McFadyen has been playing well at the center spot for this Squirt A's. On January 21 at 1:30 p.m. the A's will meet the smooth-skating Manchester, N.H. team at the WYIA.

**Pee Wee AA's tip Watertown**  
Jim Newhouse scored two goals Saturday to power the Wilmington Pee Wee AA's past Watertown 5-2 in Burlington League action. The AA's played without John Palmer, who was sidelined with a broken foot. Solid defensive work kept the

Watertown club at bay throughout the game. Newhouse's second goal proved to be the Wilmington game winner. Monday (Jan. 16) the Pee Wee's were battered by Danvers 7-0 at the WYIA. Danvers played a super game

at both ends of the ice as the Wilmington offense never got untracked. Curran, Newhouse, Robinson, and netminder Laquidara all turned in good efforts for Wilmington.

The next game will be against Stoneham at the Burlington Ice Palace. **Bantam A's split** With a win over Tewksbury and a loss to Stoneham, the A's upped their

record to 15-12-4.

January 12: Last Thursday night the A's nipped Tewksbury 4-3 at the WYIA. The A's saw Tewksbury score a powerplay goal at the five minute mark of the first period before Mike Crimmins tied it 1-1 on a powerplay goal two minutes later assisted by Keith Ford.

Tewksbury came back to score another powerplay goal, on a deflection in front of Jeff Lux a minute and a half later, making it 2-1. Early in period two Donny Foley tied it 2-2 assisted by Donny Josephson and Walter Surette. Tewksbury scored again upping it to 3-2. With four minutes left in the game Rick Zambarnardi tied it with assists going to Mike Stokes and Brian Butler with 58 seconds to play. Keith Ford scored an unassisted goal to give the win. Jeff Lux played an excellent game making 15 saves.

January 15: Stoneham handed the A's a 4-2 loss at Burlington Sunday. The A's opened the scoring at 6:11 of the first period on a Keith Ford score assisted by Bob Lowney and Joby Duggan. Stoneham was shut out until the four minute mark in period two when they picked up two goals a minute apart. The A's then killed a two man short penalty. After making it 3-1 early in period three Keith Ford scored again on a Bob Lowney rebound on a two man breakaway. The score held at 3-2 until 0:33 when Stoneham made it 4-2. Jeff Lux had 20 saves in goal. The defense of Wierga, Crimmins, Conti and Murphy played a fine game.

Next game: Thursday, 5:20 p.m. at WYIA vs. Haverhill. **Squirt B's play tough defense** Giving up only three goals in four

games is usually a sure-fire formula for a string of victories. The Squirt B's are finding tough going despite a string of solid defensive efforts.

There was an encouraging start last week with a 5-0 win over Newton. The scoring was well distributed with Ron Largo, Mike Stuart, Sean Brennan, Dante DeMarco and Ralph Newhouse lighting the lamp.

The assists went to Sean Brennan, DeMarco, Newhouse, Eric Ouellette, John McLaughlin, Jeff Brennan and Tom Bachard with two apiece. Reading handed the Wilmington kids a tough loss in the week's second game. The cold early morning start slowed down the B's as they were defeated by a team they had handled easily in two previous meetings.

The B's followed the loss up with a 1-1 tie against a stingy Stoneham team. Eric Ouellette banged home a Steve Hight pass for the lone Wilmington score.

Wilmington closed out the week with a 1-0 loss to Medford. The B's battled the best team in the league to a standoff until the third period when Medford scored its only goal of the game.

The goaltending work of Kevin Sutton and Brian Surette has been super of late - fronted by the fine work of defensemen Jay McFadyen, Dave Needham, Ralph Newhouse, Mark Bere, Steve Hunt, and Dante DeMarco.

## More difficult to retire than to marry

It is more difficult for an elderly person to adjust to retirement, after reaching the retirement age or because of disability, than it is for one to adjust to marriage; the Rotary Club was told by a leading official of the Council on Aging, last week.

In skirting the general issue of the campaign for a Drop-in Center for senior citizens of the town, Mrs. Florinda Sullivan, who chairs the committee did mention the loss of \$80,000 of a Federal grant that would have supplied a day care department for the Drop-in Center, if it had been accepted last year.

The Tewksbury COA has been commended by the State Department of Elderly Affairs and its programs are used as a pattern for other communities, she noted.

There are 2300 elderly residents in Tewksbury - when one becomes 60 years of age, that person is designated as a senior citizen and eligible for 10 per cent discount by many business establishments in greater Lowell.

Giving rise to statistics, Florida told the Rotarians that 50 per cent of the senior citizens own their own homes; 63 per cent were female and 41 per cent widows. With all of the discussion about elderly housing, Sullivan said that there are only 17 per cent of the elderly now residing in homes built for the aged on Carnation Drive and Livingston Street; 16 per cent are in nursing homes or the Tewksbury State Hospital. In more facts, Sullivan added that 87 per cent are having trouble meeting their tax bills because of their reduced incomes, with 75 per cent netting less than \$6,000 and 71 per cent under \$10,000 yearly income. One of 10 in the town is considered an elderly citizen.

By 1980 the projected figure for elderly in the town would be 35 per cent of the population instead of the present 10 per cent. The largest age group in the town is that of 45-55.

The community is getting old, so is the country, and the baby boom of the 1950's is over, Sullivan told the Rotarians.

Senior citizens feel that they should be given a financial break, what with their lower income, and their residence in the town. Many moved here when the town had only 500 population, and have accomplished a lot in building the town. With more authority by the COA, they have been getting Federal grants to assist in their programs for the elderly.

In fact, Sullivan said, the State Division on Elderly Affairs has used the Tewksbury concepts as a pattern for other towns to follow, and they have devoted more space for the town's program than is usually allowed other towns.

The elderly are not staying stagnant. They try to participate in many of the programs offered them. Only five percent are 'home bound', with 62

percent in good health and participating in programs such as bowling, dancing, and the regular hot lunch and health programs offered.

They have weight control clinics, monthly socials, guest speakers, classes on civic and town meetings, musical appreciation programs such as the Pops concerts, arts and museums. There are even college curricular programs. Some of the elderly have assisted in local work, such as library aides, and youth counselling. A program of "Adopt a Grandchild" is rising with the elderly sitting in as step-grandparents.

Sullivan noted the loss of funds because of the four year delay in opening a Drop-in Center for the elderly. She said that such a building is necessary, to aid the elderly in their traumatic adjustment to retirement. Adults have their clubs to go to, so should the seniors. It is no enjoyment to be cooped up in a small two and one-half room apartment for those who live in the elderly project. Even in their own homes, she has seen elderly sitting in their kitchens with the oven doors open to obtain heat. The people are ignoring the wants of the elderly.

"It is easier to adjust to marriage than to being elderly," she said. There are 130 applications now for the housing projects in Tewksbury.

She fails to see why the elderly with their meagre income and lonely life should have to contribute to the bills for the schools in their tax bills. There has been a 112 per cent increase in population since 1950 in this town. Why should the elderly have been saddled with the taxes, sell their homes, even to clear their debts? They want their independence, do not want to live on someone else's income, but remain in their own homes.

In commenting on a question about permitting all elderly to move in, or have more elderly housing, she answered, "Would the speaker like to move into a less than three room apartment after living in a huge house with all of their belongings? One can't take all of one's furniture, etc. into one of those apartments."

**REAL ESTATE CORNER**  
By C. McAvaney  
Realtor

A real estate owner who sells his property is a grantor. The real estate agent who sells it for him is a Realtor. The buyer of the real estate is the grantee when the owner delivers the warranty deed to him.

The owner's deed is placed in escrow, to be held by the title company. The buyer puts the earnest money or down payment in escrow also.

The bank who makes the loan to the buyer is the mortgagee. It places a mortgage on the real estate for security. This is registered at the courthouse. The buyer becomes the mortgagor.

The new owner leases the property to a tenant for rent. The tenant is the lessee. The new owner becomes the lessor.

If this property is sold again the new buyer is the vendee. The seller is the vendor. The agent selling it for him is again a Realtor.

Pamela Hunter bride of Donald Cote

Pamela Jean Hunter, daughter of Mr. and Mrs. Delbert Hunter of Lang Street, Wilmington became the bride of Donald Bernard Cote, son of Mr. and Mrs. Leo Cote of Saco, Maine, at St. Thomas Church on November 19. The Rev. Father Francis Mackin performed the double ring ceremony.

The bride wore a Bianchi gown of ivory satin, styled with a high neckline and traditional long sleeves. The bodice of her gown was enhanced with lovely beaded detail. Her cathedral length mantilla was caught to a matching headpiece. She carried a bouquet of white sweetheart roses, pink miniature carnations and baby's breath with ivory and lace ribbon.

Beth Beaudry of Biddeford Pool, Maine, cousin of the bride was the maid of honor. Bridesmaids were Denise Cyr of Biddeford Poole; Mrs. Joanne Crepeau of Biddeford, and Mrs. Nancy Manger of Acton, Mass. all friends of the bride.

The maid of honor and the attendants all wore gowns of dusty rose quiana and carried bouquets of pink elegance carnations, white daisies and burgundy baby's breath. Albert Shenkel of Biddeford Poole, a close friend of the groom served as best man while ushering duties were in charge of Bernard Reisold and William Chenard of Saco and David Lane of Vassalboro, Maine, all friends of the groom.

The brides' mother wore a gown of pale blue quiana, while the groom's mother chose a gown of pale green with matching jacket.

A reception followed immediately at the Hillcrest in Waltham.

Following a honeymoon in Bermuda, Mr. and Mrs. Cote are living in Salem.

Mrs. Cote graduated from Nazareth Academy and St. Francis College, Biddeford, Maine and is presently teaching at Phillips School in Salem.

Her husband graduated from Thornton Academy in Saco and has a Masters Degree from the University of Maine. He is employed as Director of Housing at Salem University.

## Diamond Crystal makes major gift to building fund

Another major gift has been made to the building fund to raise \$1,000,000 for the Regional Health Center in Wilmington, according to Campaign Honorary Chairman, Samuel Shapiro.

Mr. Shapiro, President of Sweetheart Plastics, reports that \$10,000 has been contributed by Diamond Crystal Salt Company. The gift presentation was made by Robert B. Sonnier, the Company's Vice President and General Manager, to William H. Flaherty, Jr., Trustee Chairman of Choate Memorial Hospital and Mr. Shapiro.

The Regional Health Center is a joint venture between the Wilmington area communities represented by the Regional Health Center Association and Choate Memorial Hospital in Woburn. The Ambulatory Care Center is now under construction near the intersection of Routes 93 and 62, and is expected to open this year.

Mr. Sonnier picked the Child Care Unit of the new center to memorialize the contribution of the Diamond Crystal Salt Company. A number of local firms have taken advantage of various memorial gift opportunities, and plaques will be affixed to most interior rooms and facilities bearing the names of corporate and individual donors.

"We are delighted to be able to make this contribution to such a worthwhile community project," said Mr. Sonnier. "For the first time, industry as well as the residents of this region will have convenient access to moderate priced comprehensive ambulatory care."

"In addition to taking advantage of the 24-hour walk-in service," Mr. Sonnier continued, "we hope to make use of programs and services offered at the Regional Health Center that can prevent illness and injury."

Preventative health care services under consideration by the Regional Health Center include executive physicals, preemployment physicals, immunizations, screening programs to meet O.S.H.A. requirements, disaster planning, physical fitness programs, and health education programs.

Regional Health Center officials believe that ambulatory care systems that emphasize preventive care tend to moderate the cost of health care. This is so because ambulatory care facilities do not require the highly specialized equipment that inflate overhead costs, and the fact that preventive health care programs should reduce the number of persons seeking care.

The one story 27,000 square foot facility will contain a lab and X-ray, physical therapy department, and offices for 10 doctors.
